**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC

I support Internet competition because I need affordable and reliable Internet service for my job .
It is very important to give consumers as many Internet providers as possible. As competition
improves both service and price .
I strongly urge you to maintain a free open and competitive Internet .

Matthew James
